HIMALAYA TRAVEL S.A.

Dear Bessie,

Greetings from Seoul.

I am sorry for sending this belated letter of gratitude as I just came back few days ago from 3 weeks' long travel.

First of all, on behalf of the NCKK Reconciliation and Reunification Committee, I express my deep gratitude to you and your company for the excellent coordination of our Peace Treaty Campaign in Turkey and Greece. The accommodation, meals, sightseeing and all the visitation programs were great as we have expected. We are very satisfied with your coordination.

Once again, a big thanks to you and all your colleagues including **Mrs Katerina Senkopopovsky** in Istanbul.

I hope we can work together in near future.

Sincerely,

신 승 민
